Awareness Campaign at Middle School, Law

Awareness Campaign at Middle School, Law

Outcome and Impact:

- The college campus was transformed into a cleaner and more aesthetically pleasing environment through the combined efforts of the NSS volunteers.
- The creation of flower beds on waste land not only beautified the campus but also contributed to the sustainability of the area by promoting green spaces.
- Whitewashing and general cleanliness efforts greatly enhanced the overall look of the college, making it more welcoming for students and faculty.
- The outreach activities, including cleaning Laa Bawli and raising awareness at the Middle School in Law, helped foster a sense of responsibility among local residents and students regarding environmental conservation and health practices.
- The camp encouraged a spirit of teamwork, community service, and environmental stewardship among NSS volunteers.

Acknowledgements: The NSS team would like to extend sincere gratitude to the principal, staff members, and the Maqsood bhai for their support throughout the camp. The participation of the volunteers made this camp an enriching experience for everyone involved.
